Product description

SkyRC PDC100 Charger AC 100W/5A

SkyRC has released this new PDC100 100W USB C GaN Charger. Ultra-compact, the PDC100 is built to keep you powered with 100W of output packed into a sleek form factor. Whether you’re racing RC, working, or gaming, PDC100 is the one device that keeps it all running as it delivers blazing-fast, efficient performance for SkyRC chargers, laptops, tablets, phones, and even your Switch. Measuring 63.5 × 62 × 32 mm and weighing approx. 150 grams, the PDC100 features a built-in USB-C extension cable and supports major fast-charging protocols including PD, PPS, and QC. It also intelligently detects your device and delivers exactly the power it needs and it is engineered with multiple layers of protection to keep your charging safe, stable, and worry-free—no matter the scenario.

GaN Inside. More Than Fast.

With advanced GaN (Gallium Nitride) power components and SkyRC’s proprietary charging and thermal technologies, PDC100 delivers high efficiency and cooler performance—all in a compact form. Lightweight yet powerful. Effortless charging!

100W. Always Ready.

Combining fast-charging technology with 100W of output, PDC100 delivers powerful, efficient performance that keeps everything running—without the wait.

One device. All charged.

Designed to power SkyRC chargers with precision—and just as capable with your phone, tablet, laptop, or Switch. Whether you’re racing RC, working, or gaming, PDC100 is your go-to power companion.

Compact. Capable. Compatible.

PDC100 features a built-in USB-C extension cable and supports major fast-charging protocols including PD, PPS, and QC. It intelligently detects your device and delivers exactly the power it needs.

Fast. And Safe.

PDC100 is engineered with multiple layers of protection to keep your charging safe, stable, and worry-free—no matter the scenario.

Package:

1. SkyRC PDC100
2. Power cord
3. Manual

Specification:

Size and Weight
Dimensions: 63.5 × 62 × 32 mm
Weight: Approx. 150 g
Power
AC Input: 100-240V 50/60Hz
Output Power:
5V/3A , 9V/3A, 12V/3A ,
15V/3A , 20V/5A
Rated Output Power: 100W
Working and Storage
Operating temperature: 0℃-40℃
Working humidity: 5%-75%
Storage temperature: -10℃-70℃
Storage humidity: 5%-75%
